

Rupert Garcia
Abu Ghraib, 2005
Mixed media on canvas
67 x 57 x 1.5 inches (framed dimensions)

\$12,500

The piece is a painted work on canvas (over imagery printed on the fabric), with a black-painted wooden frame.

Garcia's painting records the horrific and much-publicized scandal of Abu Ghraib prison in Iraq. The hooded prisoner had wires attached to both hands and other body parts and was reportedly told he would be electrocuted if he fell off the box on which he was standing.
