

Yoshiro Negishi
Untitled, 2006
Acrylic on canvas
17 x 20 x 1.5 inches (framed dimensions)

\$3,500

The piece is a painting on canvas, floating in a shadow-box style wooden frame, glazed with Plexiglas.

Negishi states, "In watching the ever-changing mists and clouds rising above the mountains, I can lose all sense of time. In my paintings also, change is ever-present. From moment to moment, a different emotion is revealed. Catching hold of the delicate balance of these emotions as they appear, I attempt to bring out a condensed expression of these brief moments."
